NATURE OF THE DEAL

4. Cuban agreement to restrict its subversive activities in Latin America (perhaps this could take the form of a Cuban guarantee of the territorial integrity and political independence of other Latin American states.)

QUERY:

Would US, if necessary to a deal, permit inspection of Cuban refugee invasion bases in Florida?

Would other OAS members permit the same (e.g. Guatemala)?

Would we permit inspection of Guantonamo to make sure there were no missiles or offensive weapons there?

To what extent would other OAS members have to be parties to (a) the whole deal and especially (b) #3 above?
